

## Addendum #1 – Pick-Up Truck Tender

**1. It is for the tenders for the 4 Pickup trucks**

Yes, the truck tender includes Four (4) pick-up trucks

**2. Upon reviewing the tender, I noted Schedule B – Item #1 as a SLT pickup truck and LT for Silverado. Wanted to confirm that wasn't intended to be SLE as you cannot obtain the Cardinal Red G7C in the SLT?**

The SLT reference is incorrect, please note that in Schedule B – Item #1 that his should be an SLE.

**3. Just reviewing the specifications for the Fire dept 3500 HD and didn't see an engine choice.**

Please note all vehicles engines are gasoline.

**4. If we were to tender 3, would that disqualify us from being awarded the tender on those units?**

No, bidding on only 3 units would not disqualify you. Each item is listed separately.
