The public can bring their own material, accessories, etc.

Basic Sewing Lesson

For beginners who want to learn how to sew.
Lesson is about 1 hour. Learn how a sewing machine works, how to tread a machine, fill a bobbin, measure and cut material, sew in a straight line, and sew a curve. **FREE**

Following this class, beginners have 3 options:

1. Repeat the basic lesson to gain confidence. Sewing machine pricing applies.
2. Book time to practice on the sewing machine. Sewing machine pricing applies.
3. Take an advanced sewing class. See below.

Sewing Machine

Machine use cost: \$5 / 30 minutes

Embroidery Machine

Machine use cost: \$2.50 / 30 minutes

Thread: \$2.00/10,000 stiches (or part thereof)

Backing: \$2.50/foot (one foot minimum)

Serger

Machine use cost: \$5 / 30 minutes

Advanced Sewing Lessons

\$20 per class.

Each class is about 1.5 hours. You can repeat classes if you wish and progress as you like.

Learn how to make a square hot mat.

Learn how to make an Item: a tote bag, shoe bag, or wine bag.

Learn how to install zippers and make button holes.

Digitizing

Digitizing is free, but a suggested donation of \$5 per booking is encouraged

Sound Booth

Recording is free, but donations are welcome.

Other Items

USB: \$5

Keychain ring: \$0.50
