

# October 2024

**Did You Know:** You can include pumpkins in your curbside leaf & yard waste collection? You can also compost them at home or take them to the Smith Landfill!

**October is Circular Economy Month!**

A circular economy aims to reduce waste by reusing, recycling and repairing products. Keep an eye out for our weekly posts and information this month! To learn more, visit [www.circulareconomy.month.ca](http://www.circulareconomy.month.ca)

**Reuse your Bulky Items!**

Some bulky items, such as furniture or appliances, can be hard to dispose of! Consider donating these items to Habitat ReStore in Lakefield or Peterborough!
